Welcome to our Dental Practice

Our practice philosophy is simple:
Quality care delivered with the personal touch providing solutions tailor-made to suit your particular needs.

We achieve this as a result of many years of experience. We update our knowledge continuously by going on courses, webinars etc to keep up to date with latest techniques, giving you the best results.

We aim to make your visit a positive and comfortable experience and look forward to welcoming you soon.

Craig-y-Don Dental Practice has been established for 70 years and is situated on the main street in Craig-y-Don, Llandudno called Mostyn Avenue. We are situated next to St David's Methodist church.

We have free on street parking, disabled access to the practice and are on bus routes 12, 14 and 15.

Our services

- *Preventative and dietary advice*
- *Dental hygienist to treat your gum problems*
- *State of the art X-Ray imaging systems*
- *Management of dental anxiety liaising with a hypnotherapist*
- *Access to orthodontic care*
- *Access to implants*
- *State of the art white fillings*
- *Natural looking crowns, bridges and veneers*
- *Full and partial dentures*
- *Tooth whitening*
- *Smile makeovers*

Your Treatment

At your initial visit you will receive a thorough examination of the mouth, x-rays and, if required, a treatment plan with the associated costs involved.

Once we have brought you back to a state of dental health that you are happy with, we would like to see you on a regular basis for check ups.

We operate an itemised tariff system for our work (Payable on completion). Alternatively, you may wish to join our Denplan scheme.

This enables you to have all your future dental treatment catered for through fixed monthly payments.*

**(except laboratory work or cosmetic dentistry).*
